LEGISLATIVE REPORT

Ms. Packer reminded the Board that at the last meeting she updated them regarding a lobbyist who is bringing a bill to regulate eyelash extension in the scope of practice of a cosmetologist and esthetician, and to create a certificate for those who only want to perform that service and nothing else. Ms. Packer stated that at a meeting with the lobbyist, Representative Wintrow asked if she could add to the bill to regulate permanent makeup. This would add permanent makeup to the scope of practice of a cosmetologist and esthetician and also create a certificate for those who only want to do permanent makeup. It was further explained that the discussions have started, but it is not clear if there will be a bill in 2020, or if it will be delayed until 2021.
